Antonio Ferrara

Garrincha The Bent-Legged Angel

(Garrincha, l'angelo dalle gambe storte)

graphic novel, middle grade

16.5 x 24 cm

120 pages

inside: 1 color Pantone blue

The true story of Manoel Francisco Dos Santos, aka Garrincha ("Sparrow"), one of the greatest Brazilian football players in history. Best known for his dribbling talent, he had several birth defects: his spine was deformed, his right leg bent outwards and his left leg was six centimeters shorter and curved inwards.

Arianna Papini Freedom!

(Liberi tutti!)

picture book, age 4-6

21 x 21 cm
38 pages
inside: 4 colors

Parents often say “No” to their children in order to protect them. But saying “Yes” they allow new experiences and a better growing up as individuals. A picture book about children’s right to risk.

No. Snow.

Yes. Silence.

Isabella C. Feline, Roberta Angeletti

Differanimals

(Animali di versi)

picture book, age 6-9

30 x 20.5 cm
48 pages
inside: 4 colors

A colorful gallery of strange animals, making children think about the meaning and what really is "normal".

A kind and
vegetarian
wolf...

An agile
penguin
dancer...

Isabella C. Feline, Roberta Angeletti

A Matter of Gears

(*Questione di ingranaggi*)

picture book, age 6-9

24.5 x 33.5 cm
42 pages + 1 acetate sheet
inside: 4 colors

In social relationships, as well as in the engines, sometimes the matter is finding the right gear... Three stories dealing with subtle humour love, friendship and loneliness by means of captivating machinery pictures, illustrated by Roberta Angeletti on the basis of her 6 years old son's drawings (as shown with an acetate sheet binded inside the book).

Roberta Angeletti

Run, Run, Run!

(Chi se la fila?)

picture book without words, age 4-6

28 x 24 cm
30 pages
inside: 4 colors

Everybody go crazy: they run, run, run to give their presents to people they love: but what's the use to love somebody if you have no time to spend with him or her?

(A piede libero)

21 x 28 cm
36 pages
inside: 4 colors

Monica Taini

The Battery-Operated Girl

(La bambina che andava a pile)

picture book, age 6-9

18 x 26 cm

42 pages

A sharp, cute and poetic picture book which tells with plane but emotional words what does it mean to born, grow up and walk through life being deaf.

Pietro Albino di Pasquale

Farfariel - The Book of Micù

(Farfariel - Il libro di Micù)

novel with pictures, age 12+

14 x 20,5 cm

180 pages

Farfariel is a weird and grotesque *bildungsroman* for young adult. Micù is a preadolescent with physical disability born before World War II in the poor but magical atmosphere of rural southern Italy. He is trying to grow up despite his own difficulties, the tragicomic inhabitants of the village and a spiteful demon... but, you know, it's really difficult!
