collana pesci parlanti (talking fishes series)

Classic fairy tales designed to offer to any child the pleasure (and the right) to read a book and to share it with the others. Inclusion at its best, in a series supervised by child psychologist Dr. Enza Crivelli.

Age: 2+

FEATURES:

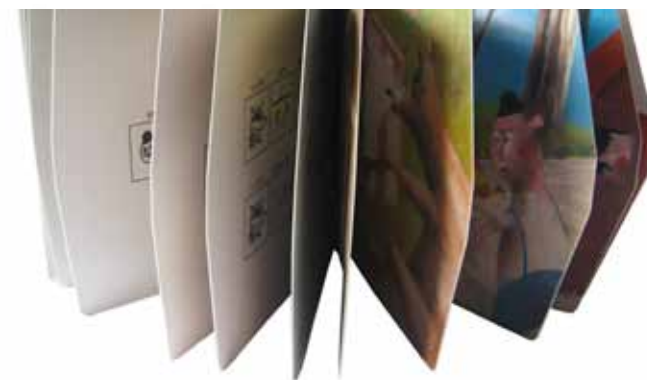

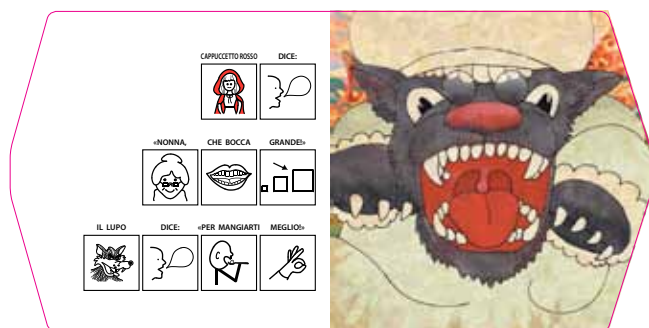

- simple sentences
- alphabetic and PCS (Picture Communication Symbols™) text
- resistant board pages
- special *easy-turning™* shaped pages
- artistic but clear illustrations

Selected by IBBY for the international exhibition
OUTSTANDING BOOKS FOR YOUNG PEOPLE WITH DISABILITIES
(the 60 best books of the world for disabled children)

Suitable for:

- very young readers (from 2 years of age)
- non-native speaking children
- children with autism spectrum disorders
- children with delayed mental development

**Inclusion
at its best!**

- 32 *easy-turning™* board pages (including cover)
- 22 x 22 cm
- special reinforced cover

Animali di Versi (In Verse Animals)

**Isabella Christina Felling
Roberta Angeletti (ill.)**

48 pages
30 x 20 cm
ISBN 978-88-96918-07-4

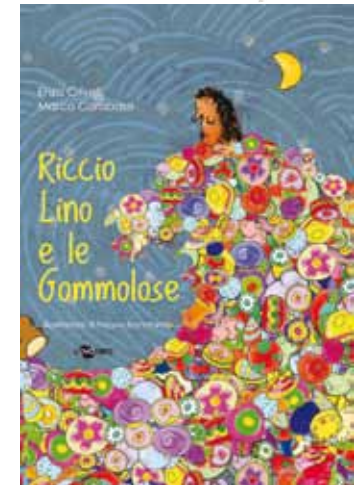

Age: 5-8

In this book you can meet a good and vegetarian wolf, a small hippopotamus, a fish with legs to run, a nightingale who doesn't sing, and many other silly animals...

Half picture book and half drawing book, it is printed on special writeable paper, to let children make their own personal story by writing or drawing in the large empty spaces of the pictures.

Riccio Lino e le Gommolose (Otis Hedgehog and the Gummilicious)

**Enza Crivelli e Marco Carabassi
Peppo Bianchessi (ill.)**

36 pages
21 x 29 cm
ISBN 978-88-96918-00-5

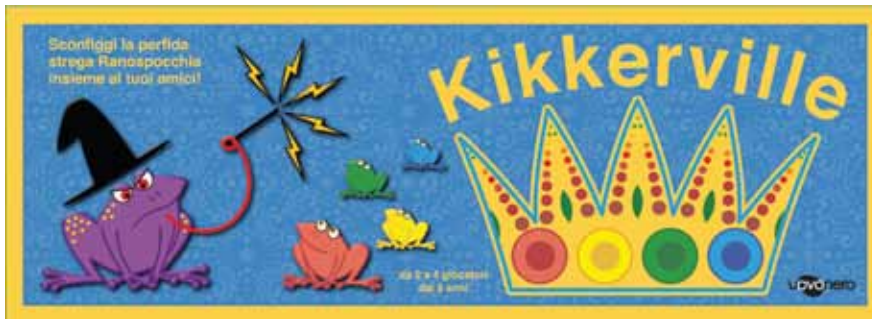

Age: 6-8

Who wants to be a friend of Otis Hedgehog? He pricks, he hurts, he even does not speak... But when his friends are in a trouble, he can show how useful may be his prickly-covered body!
A gripping and fascinating tale about friendship and difference.

Kikkerville

A non-Competitive, cooperative, board game for every child.

The evil Witch Ranospocchia (a hateful and ugly frog) hates everyone who is different from her. When four children come to swim in her pool, she quickly turns them into frogs. They have to reach the Chamber of the Crown to break the spell, but only when all of them will reach there they could return to their human shape.

Age: 5+

CONTENTS:

- rotating double gameboard;
- 4 magnetic pawns;
- 1 magnetic card tray;
- 1 magnetic discard holder;
- 60 cards;
- booklet with rules and the tale of the witch and the pool.

This game has been especially designed to help playing the children who usually cannot do it, because of autism, Asperger's Syndrome and other similar diseases.

Ginevra Tomei, industrial designer, have been working together with Dr. Flavia Caretto, child psychologist and autism expert, and Dr. Giorgio Munafò, psychologist, to develop this exciting and insightful game, the first and only with these characteristics in the world.

FEATURES:

- gameboard rotates only counterclockwise, to help players to respect their turn and to allow each player to look at it in the same way;
- magnetic pawns and accessories;
- visual dice;
- easy and amusing tasks, accessible for everyone;
- clear board, without confusing graphics;
- cooperative, non-competitive game, where it's only possible to win all together, helping the other players to overcome their difficulties.
